

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE**In Re Application of Goupil et al.****Filing Date:** March 13, 2001**Serial No.:** 09/805,483**For:** Hydrogel Biomedical Articles**TERMINAL DISCLAIMER**

The owner, BioCure, Inc., of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 and 173 as shortened by any terminal disclaimer filed prior to the grant of any patents granted on pending second Application Numbers 09/804,963 and 09/804,925, both filed on March 13, 2001, of any patents on the pending second applications. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patents granted on the second applications are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors and assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of any patents granted on the second applications, as shortened by any terminal disclaimer filed prior to the patent grant, in the event that any such granted patent: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.
